

# HEALTH & SAFETY WORKS NI

ADVISING SMALL BUSINESSES

**“** We are glad we contacted you, as beforehand we were burying our heads in the sand. Since contacting you we have had the confidence to take an active approach to health and safety. I do think that a lot of small companies would benefit from your visit. **”**

*Dympna McAuley, Diamond Precision, Cookstown*

# HEALTH & SAFETY WORKS NI

ADVISING SMALL BUSINESSES

- **Are you a small business needing help with managing health and safety?**
- **Do you know your legal duties?**
- **Are you sure your business is a safe place to work?**
- **Do you know how to write a safety policy?**

HSWNI is a free and confidential government service set up specifically to help small businesses manage workplace health and safety, understand their legal duties and improve overall business performance.
