

## **HSENI PROPOSALS TO IMPLEMENT THE FOURTH LIST OF INDICATIVE OCCUPATIONAL EXPOSURE LIMIT VALUES (IOELVs) COMMISSION DIRECTIVE (EU) 2017/164 – SUMMARY OF CONSULTATION RESPONSES AND HSENI COMMENTS**

This is a summary report of the outcome of the HSENI's formal, statutory consultation on proposals to implement the fourth list of Indicative Occupational Exposure Limit Values (IOELVs) Commission Directive (EU) 2017/164.

The consultation document (CD) invited responses for establishing workplace exposure limits for substances listed in the 4<sup>th</sup> Indicative Occupational Exposure Limit Values (IOELVs) Directive 2017/164/EU, in order to implement it in Northern Ireland.

The CD was published on the HSENI website and the consultation exercise ran from 14th February 2018 to 11th May 2018. Letters were issued to approximately 450 consultees inviting comments on the proposals, costs relevant to Northern Ireland and the conclusion that the proposals would have no adverse effect on section 75 groups.

During the consultation period the CD was downloaded 133 times and 3 formal replies were received.

Details of the consultation responses and HSENI comments are set out in the table below:
